Britton, on behalf of herself and all other Class Members (“*Waikoloa-PEX Brass Fittings Class*”), and Defendant Castle & Cooke Homes Hawaii, Inc. (“Castle & Cooke”) (jointly, “Settling Parties”).

The terms of this *Waikoloa-PEX Brass Fittings Settlement* are conditioned on and subject to (1) final approval of the settlement this matter, *Irene O. Britton, et al., v. Castle & Cooke Homes Hawaii, Inc., et al.*, Circuit Court of the First Circuit, State of Hawai‘i Civil No. 13-1-2276-08 KTN (“*Waikoloa-PEX Brass Fittings*”) and (2) final approval of the settlement of *Irene O. Britton, et al., v. Castle & Cooke Homes Hawaii, Inc., et al.*, Circuit Court of the First Circuit, State of Hawai‘i Civil No. 13-1-2277-08 GWBC (“*Waikoloa-Wind*”).

SUMMARY OF LAWSUIT

1. On August 20, 2013, Plaintiff and the Class Representative Irene O. Britton, on behalf of herself and all other Class Members, (collectively, “Plaintiff”) filed *Waikoloa-PEX Brass Fittings* as a putative class action lawsuit in the Circuit Court of the First Circuit, State of Hawai‘i, Civil No. 13-1-2276-08 KTN.
2. The original complaint alleged defects with respect to the brass fittings contained in the cross-linked polyethylene potable water piping systems (“PEX Brass Fittings”) manufactured by several PEX Brass Fittings manufacturers and installed in homes developed by Castle & Cooke in the Wehilani Developments located in Waikoloa, Hawai‘i (“Waikoloa”).
3. Castle & Cooke caused PEX Brass Fittings to be installed in the potable water systems of all 100 Class Structures in Waikoloa. A schedule of the tax map key numbers and addresses of all *Waikoloa-PEX Brass Fittings Class Structures* is listed and attached hereto at “Exhibit 6—*Waikoloa-PEX Brass Fittings Class Structures*.”

4. *Waikoloa-PEX Brass Fittings* alleged that the PEX Brass Fittings installed in the *Waikoloa-PEX Brass Fittings* Class Structures in Waikoloa are defective in that they are prematurely corroding and will continue to prematurely corrode. *Waikoloa-PEX Brass Fittings* also alleged that the use of PEX Brass Fittings violated the applicable building codes.
5. Since working on filing the original complaint, Plaintiff has vigorously pursued the claims at issue in *Waikoloa-PEX Brass Fittings* by briefing various procedural, factual, and legal matters, conducting discovery throughout the periods when they could conduct discovery, and advancing their claims toward final resolution.
6. Since Plaintiff filed the original complaint, Castle & Cooke has vigorously denied and contested the allegations in *Waikoloa-PEX Brass Fittings*, also by briefing various procedural, factual, and legal matters, conducting discovery throughout the periods when they could conduct discovery, and advancing their defenses toward final resolution.
7. The Settling Parties have collectively obtained, processed, produced, reviewed, and analyzed documents generated by the parties in *Waikoloa-PEX Brass Fittings*.
8. In addition to the discovery conducted by the parties involved in *Waikoloa-PEX Brass Fittings*, the parties engaged in law and motion matters over more than seven years of litigation included, including but not limited to the following proceedings:
 - a. Plaintiff filed her Complaint on August 20, 2013;
 - b. Castle & Cooke filed a motion to dismiss the Complaint on November 20, 2013, which the parties litigated for months;
 - c. Castle & Cooke answered Plaintiff's Complaint on July 3, 2014;
 - d. On July 16, 2015, Castle & Cooke sought leave to file a Third-Party Complaint against Uponor, Inc., the designer, manufacturer, seller, and distributor of the fittings at issue in *Waikoloa-PEX Brass Fittings*;
 - e. On August 13, 2015, Castle & Cooke filed its Third-Party Complaint against Uponor, Inc.; and

- f. On October 7, 2015, Uponor filed a Motion to Dismiss the Third-Party Complaint.
9. Counsel for the Settling Parties have simultaneously and extensively litigated three other cases on matters with proceedings similar and related to the claims and defenses at issue here, as well as this Settlement:
- a. *Waikoloa-Wind* which entails the same Class Structures at issue in *Waikoloa-PEX Brass Fittings*, only with claims alleging defects Castle & Cooke's design of their wind protection systems;
 - b. *Baker v. Castle & Cooke Homes Hawaii, Inc.*, United States District Court for the District of Hawai'i, No. 11-00616 LEK-RLP, DPR Arbitration No. 15-027-A ("*MM-PEX*"). *MM-PEX Brass Fittings* was a case against Castle & Cooke for homes in its Mililani Mauka development involving the same Defendant, same counsel, and same manufactured plumbing product defect allegations at issue here. On February 5, 2016, the Court stayed *Waikoloa-PEX Brass Fittings* pending completion of the *MM-PEX Brass Fittings* case, which has since resolved and is in its final stages of settlement administration; and
 - c. *Baker v. Castle & Cooke Homes Hawaii, Inc.*, Circuit Court of the First Circuit, State of Hawai'i, Civil No. 11-1-1524-07 JPC ("*MM-Wind*"). *MM-Wind* was a case against Castle & Cooke for homes in its Mililani Mauka development involving the same Defendant, same counsel, and same wind design defect allegations at issue in *Waikoloa-Wind*. *MM-Wind* has also since resolved and is also in its final stages of settlement administration.
10. The Settling Parties collectively obtained, processed, produced, reviewed, and analyzed thousands of pages of documents generated by the parties concerning the claims, defenses, factual issues, and technical issues common to *MM-PEX Brass Fittings*, *MM-Wind*, *Waikoloa-PEX Brass Fittings*, and *Waikoloa-Wind*. In *MM-PEX Brass Fittings*, counsel for the Settling Parties participated in dozens of depositions pertaining to development, construction, and product issues common

to *MM-PEX Brass Fittings*, *MM-Wind*, *Waikoloa-PEX Brass Fittings*, and *Waikoloa-Wind*.

11. As a result of their extensive litigation in *MM-PEX Brass Fittings*, *MM-Wind*, *Waikoloa-PEX Brass Fittings*, and *Waikoloa-Wind*, counsel for the Settling Parties have substantial knowledge of and experience in the claims at issue here, facts concerning these claims, legal issues arising here, and risks entailed in going forward on their respective claims and defenses.
12. In September 2018, the Settling Parties engaged in arm's-length mediation on *MM-PEX Brass Fittings*, *MM-Wind*, *Waikoloa-PEX Brass Fittings*, and *Waikoloa-Wind*. The Settling Parties participated in a formal mediation before Keith W. Hunter of DPR ("the Mediator") and have since had informal discussions with the Mediator. The Settling Parties exchanged written briefs and confidential expert analyses concerning their respective positions on the technical, factual, and legal issues herein. At the September 2018 mediation, the Settling Parties agreed to core terms to globally resolve *MM-PEX Brass Fittings* and *MM-Wind* and agreed they would seek to effectuate a similar resolution for *Waikoloa-PEX Brass Fittings* and *Waikoloa-Wind* upon substantially completing the approval proceedings and claims administration for the global settlement of *MM-PEX Brass Fittings* and *MM-Wind*.
13. Since the September 2018 mediation, the Settling Parties completed their extensive work to nearly complete global settlement for *MM-PEX Brass Fittings* and *MM-Wind*, which to date has extremely high class participation and redemption rates. Informed by their experiences and successes in the *MM-PEX Brass Fittings* and *MM-Wind* global settlement, counsel for the Settling Parties continued negotiating with each other and agreed to the core terms to globally resolve *Waikoloa-PEX Brass Fittings* and *Waikoloa-Wind* for, among other details set forth herein, (1) a \$1,118,610.77 payment in exchange for releases of the claims in *Waikoloa-PEX Brass Fittings* and (2) a \$319,678.09 payment in exchange for releases of the claims *Waikoloa-Wind*. Importantly, the ultimate

payments for the Class Structures in the *Waikoloa-PEX Brass Fittings* and *Waikoloa-Wind* Settlements are the same as they were for, respectively, the Class Structures in the court-approved and successful *MM-PEX Brass Fittings* and *MM-Wind* Settlements alleged to have substantially similar defects.

14. The *Waikoloa-PEX Brass Fittings* and *Waikoloa-Wind* Settlements are both subject to approval by the Courts presiding over *Waikoloa-PEX Brass Fittings* and *Waikoloa-Wind*, and Court approval of both the *Waikoloa-PEX Brass Fittings* and *Waikoloa-Wind* Settlements is a material part of the consideration to Castle & Cooke for both *Waikoloa-PEX Brass Fittings* and *Waikoloa-Wind* Settlements.
15. As the result of the more than seven years of litigation detailed above, the Settling Parties, counsel for the Settling Parties, the Mediator, and the Court are familiar with the factual and legal issues presented by the Settling Parties' respective claims and defenses. All involved recognize the uncertainties as to the ultimate outcome of *Waikoloa-PEX Brass Fittings* and that any final result could require years of further complex litigation, including additional proceedings on critical issues, the trial on the ultimate merits of the claims, and appeals, that would involve substantial additional risk and expense.
16. The Settling Parties, Class Counsel, and Defense Counsel agree that the *Waikoloa-PEX Brass Fittings* Settlement Agreement represents a fair, reasonable, and adequate resolution of *Waikoloa-PEX Brass Fittings*.
17. The Settling Parties desire to compromise and settle all issues and claims that have been brought against Castle & Cooke in *Waikoloa-PEX Brass Fittings*.
18. The Settling Parties desire and intend to seek Court approval of the *Waikoloa-PEX Brass Fittings* Settlement Agreement as set forth herein, provide notice to the Class in a manner approved by the Court and as detailed herein, and, upon final judicial approval, the Settling Parties intend to seek a Final Approval Order and Final Judgment from the Court approving and implementing the *Waikoloa-PEX Brass Fittings* Settlement and, thereby, resolving all claims at issue here.

NOW, THEREFORE, and without admitting any wrongdoing or liability whatsoever, and in consideration of the promises, covenants, and agreements set forth herein, the receipt and sufficiency of which are hereby acknowledged, and subject to approval by the Court, the Settling Parties agree as follows:

Plaintiffs, the *Waikoloa-PEX Brass Fittings* Class Representatives, and the *Waikoloa-PEX Brass Fittings* Class' release of their *Waikoloa-PEX Brass Fittings* Class Claims is in consideration for Castle & Cooke's obligations hereunder, including payment of the *Waikoloa-PEX Brass Fittings* Settlement Funds.

65. The releases provided for hereinabove are as a result of being a *Waikoloa-PEX Brass Fittings* Class Member or a Person with a legal right to assert claims for a *Waikoloa-PEX Brass Fittings* Class Member, the *Waikoloa-PEX Brass Fittings* Court's approval process herein, and the occurrence of the Effective Date, and are not conditioned on receipt of consideration by any particular member of the *Waikoloa-PEX Brass Fittings* Class. Rather, it is the intent of the Settling Parties and this *Waikoloa-PEX Brass Fittings* Settlement that the benefit is payments for *Waikoloa-PEX Brass Fittings* Class Structures, and that said benefits and rights attach to the *Waikoloa-PEX Brass Fittings* Class Structures. Persons who, after the date of the Preliminary Approval Order and up until the date of the Final Judgment, acquire legal rights to assert claims within the scope of this *Waikoloa-PEX Brass Fittings* Settlement that belong initially to a Person who previously owned the *Waikoloa-PEX Brass Fittings* Class Structure at issue shall take such rights subject to all of the terms, time periods, releases, caps, prohibitions against overlapping or double recoveries, and other provisions contained herein. Persons who acquire an interest in the *Waikoloa-PEX Brass Fittings* Class Member Structures after the Effective Date will be bound by the releases provided in this Settlement. As set forth in Paragraph 115 below, Castle & Cooke shall have the right to record this Settlement (including a memorandum thereof) and/or Final Orders and Judgments with the Office of the Assistant Registrar of the Land Court of the State of Hawai'i and/or the Bureau of Conveyances of the State of Hawai'i against each *Waikoloa-PEX Bass Fittings* Class Member Structure. Under no circumstance shall Castle & Cooke have any liability or responsibility to any persons for any claims arising out of, relating to, or by virtue of the recordation of any documents pursuant to this Paragraph or Paragraph 115.
66. *Waikoloa-PEX Brass Fittings* Class Counsel shall cooperate with Castle & Cooke to ensure that the releases set forth in the Final Approval Order and Final Judgment are given their full force and effect (including by seeking the inclusion of the releases in the Final Approval Order and Final Judgment) and to ensure that

the Plaintiffs, *Waikoloa-PEX Brass Fittings* Class Representatives, and *Waikoloa-PEX Brass Fittings* Class Members comply with their obligations set forth in this *Waikoloa-PEX Brass Fittings* Settlement.

67. It is the intent of the Settling Parties that, other than receiving the *Waikoloa-PEX Brass Fittings* Settlement benefits provided herein, no *Waikoloa-PEX Brass Fittings* Class Member shall recover, directly or indirectly, any additional compensation, consideration, or sums for claims released by operation of this *Waikoloa-PEX Brass Fittings* Settlement, including, without limitation, the claims settled and released hereinabove.

70. The Administrator shall design and implement a plan for notification of this Settlement that shall satisfy the due process rights of *Waikoloa-PEX Brass Fittings* Class Members.

71. The Administrator (and any person retained by the Administrator) shall sign a confidentiality agreement which shall provide that the names, addresses, and other information about specific *Waikoloa-PEX Brass Fittings* Settlement Class Members provided by *Waikoloa-PEX Brass Fittings* Class Counsel, by individual *Waikoloa-PEX Brass Fittings* Settlement Class Members, or by Castle & Cooke shall all be treated as confidential and shall be used by the Administrator only as required by this *Waikoloa-PEX Brass Fittings* Settlement.
72. The Administrator or person(s) under the control and supervision of the Administrator shall mail the Notices to the *Waikoloa-PEX Brass Fittings* Class using the same language and in substantially the same form as the Notices attached at Exhibits 2-5. The long form Notices at Exhibit 2 shall disclose to the *Waikoloa-PEX Brass Fittings* Class the existence and nature of the action and the proposed *Waikoloa-PEX Brass Fittings* Settlement, the procedures and deadlines for filing Objections and exclusions, the procedures for noticing intent to appear at the Final Approval Hearing, the effect of the *Waikoloa-PEX Brass Fittings* Settlement, and the hearing date and location concerning whether the *Waikoloa-PEX Brass Fittings* Settlement should be granted final approval and any application for Attorneys' Fees, Costs, and All Other Expenses.
73. The Administrator shall use name(s) of last known *Waikoloa-PEX Brass Fittings* Class Structure owners compiled by Title Guaranty prior to preliminary approval and provided by Class Counsel. The Administrator shall process such data through the National Change of Address database (where a specific owner is known), the Coding Accuracy Support System and Delivery Point Validation system for the purpose of verifying and updating the addresses.
74. For the Notices sent to the *Waikoloa-PEX Brass Fittings* Class Structures, the Administrator will also append the phrase "OR CURRENT HOMEOWNER" to the recipient lines in the addresses.
75. The Administrator shall mail the Notices by first-class postage prepaid U.S. Mail to *Waikoloa-PEX Brass Fittings* Class Members at the addresses of the Class

Structures and publicly available taxpayer addresses if they differ from the addresses of the Class Structures within ten (10) days of the entry of the Preliminary Approval Order.

76. The Notices shall each identify the address of the *Waikoloa-PEX Brass Fittings* Class Structures that will qualify the owners on the date of the Final Judgment to receive *Waikoloa-PEX Brass Fittings* Settlement payments.
77. The Notices shall be deemed received by the owners of the *Waikoloa-PEX Brass Fittings* Class Structures where they were sent seven (7) days after mailing. In the event that the United States Postal Service returns Notices to the Administrator with a forwarding address for the recipient, the Administrator shall re-mail the Notice to that address and the forwarding address shall be deemed the updated address for that *Waikoloa-PEX Brass Fittings* Class Member. In the event that the United States Postal Service returns Notices to the Administrator because the address of the recipient is no longer valid and the name of the *Waikoloa-PEX Brass Fittings* Class Member is known, the Administrator shall perform a standard skip trace in an effort to attempt to ascertain the current address of the particular *Waikoloa-PEX Brass Fittings* Class Member in question and, if such an address is ascertained, the Administrator will promptly re-send the Notice; if the Administrator cannot obtain an updated address for that *Waikoloa-PEX Brass Fittings* Class Member, the Administrator shall re-mail that Notice to the Class Structure. In any event, the Notice shall be deemed received by the *Waikoloa-PEX Brass Fittings* Class Member once the Administrator mails it a second time.
78. The Administrator shall also provide a copy of the Notice to any *Waikoloa-PEX Brass Fittings* Class Member who requests the Notice.
79. The Administrator shall also update the *Waikoloa-PEX Brass Fittings* website (www.waikoloapex.com) to include the various Notice Plan documents, the pertinent *Waikoloa-PEX Brass Fittings* Class Member response dates, and the pertinent hearing dates for processing the *Waikoloa-PEX Brass Fittings* Settlement.

80. Within fourteen (14) days after the deadline to mail the Notice to the *Waikoloa-PEX Brass Fittings* Class Members, the Administrator shall provide declarations to the *Waikoloa-PEX Brass Fittings* Court, with a copy to *Waikoloa-PEX Brass Fittings* Class Counsel and Defense Counsel, attesting to the measures undertaken to provide the Notice to the *Waikoloa-PEX Brass Fittings* Class.
81. Additional details regarding the Notice Plan and the dissemination of Notices for the *Waikoloa-PEX Brass Fittings* Class are provided in the Notice Plan at Exhibit 1.
82. Upon the Court's issuance of the Final Judgment, Class Counsel shall provide to the Administrator an updated list of the name(s) with the last known *Waikoloa-PEX Brass Fittings* Class Structure owners, including updated publicly available taxpayer addresses for the *Waikoloa-PEX Brass Fittings* Class Structures, as of the date of the Final Judgment compiled by Title Guaranty. For any addresses that differ from those previously provided prior to preliminary approval, the Administrator shall process such data through the National Change of Address database (where a specific owner is known), the Coding Accuracy Support System and Delivery Point Validation system for the purpose of verifying and updating the addresses. This list of owners provided upon Final Judgment shall constitute the final list of *Waikoloa-PEX Brass Fittings* Class Members for the purposes of distributing payments.
83. Upon the Effective Date, the Administrator shall be authorized to establish accounts with financial institutions (each, an "Account") for the *Waikoloa-PEX Brass Fittings* Settlement Fund escrow. All Accounts established under this Agreement shall be deposit accounts with commercial banks with capital exceeding \$1 billion or with an FIR rating of Investment Grade or higher.
84. Within ten (10) days of the Effective Date, the Administrator will issue notices of final approval and Forms W-9 substantially in the form of the exemplar attached at Exhibit 4 to the *Waikoloa-PEX Brass Fittings* Class Members by first-class

postage prepaid U.S. Mail to the *Waikoloa-PEX Brass Fittings* Class Members identified upon Final Judgment.

85. Within thirty (30) days of issuing the notices of final approval and Forms W-9, the Administrator will issue reminder notices substantially in the form of the exemplar at Exhibit 5 to the *Waikoloa-PEX Brass Fittings* Class Members by first-class postage prepaid U.S. Mail to the *Waikoloa-PEX Brass Fittings* Class Members identified upon Final Judgment who have not submitted their Forms W-9 as of that date.
86. *Waikoloa-PEX Brass Fittings* Class Members shall have up to sixty (60) days from the Administrator's mailing of the notices of final approval to submit their Forms W-9 to the Administrator. *Waikoloa-PEX Brass Fittings* Class Members shall be allowed to submit their Forms W-9 to the Administrator either (i) by mail postmarked no later than sixty (60) days from the date of the notices of final approval; or (ii) online no later than sixty (60) days from the date of the notices of final approval by a secure means to be provided by the Administrator on the *Waikoloa-PEX Brass Fittings* website. If any *Waikoloa-PEX Brass Fittings* Class Member submits only one W-9 in either the *Waikoloa-PEX Brass Fittings* Settlement administration process or the *Waikoloa-Wind* Settlement administration process, then that Class Member's W-9 will be deemed effective for both the *Waikoloa-PEX Brass Fittings* and *Waikoloa-Wind* Settlements. Unless the Court approves modification of the deadline for *Waikoloa-PEX Brass Fittings* Class Members to submit their Forms W-9, *Waikoloa-PEX Brass Fittings* Class Members who fail to submit their Forms W-9 by sixty (60) days from the date of the notices of final approval will be deemed to have waived and forfeited their payments for the *Waikoloa-PEX Brass Fittings* Settlement.
87. After the expiration of the Form W-9 submission deadline but in no event later than ninety (90) days from the date of the notices of final approval, the Administrator shall issue settlement payments and all required tax forms to the *Waikoloa-PEX Brass Fittings* Class Members identified upon Final Judgment and

who provided complete, accurate, and undisputed Forms W-9 for the qualifying *Waikoloa-PEX Brass Fittings* Class Structures.

88. For Forms W-9 that are incomplete, inaccurate, or disputed (e.g., names on Forms W-9 differ from names on *Waikoloa-PEX Brass Fittings* Class Members identified upon Final Judgment), the Administrator shall withhold payments for those *Waikoloa-PEX Brass Fittings* Structures pending resolution of those disputes and issue written deficiency letters seeking additional information. Persons seeking said payments shall provide the Administrator and/or *Waikoloa-PEX Brass Fittings* Class Counsel with additional information proving that he, she, or it was the owner of the *Waikoloa-PEX Brass Fittings* Class Structure on the date of the Final Judgment before any payments will issue for that *Waikoloa-PEX Brass Fittings* Class Structure. If a requested *Waikoloa-PEX Brass Fittings* Settlement payment is denied, the Administrator will inform that Person and *Waikoloa-PEX Brass Fittings* Class Counsel in writing of the denial of the claim and the reasons for the denial and delay issuing a payment for the *Waikoloa-PEX Brass Fittings* Class Structure until the later of (1) the expiration of that Person's deadline to appeal or (2), if there is a timely appeal of the denial, the Special Master's final determination of the appeal. Any appeal from a denial shall be sent by U.S. Mail to the Administrator and postmarked within thirty (30) days of the date indicated on the Administrator's denial. Any timely appeals shall be exclusively adjudicated by the Special Master who shall have the sole and exclusive authority to independently determine the validity of the denial. The Administrator shall give Settling Parties notice of all appeals, and the Settling Parties shall have a reasonable opportunity to present statements and exhibits to the Special Master setting forth their respective positions about whether the Person should be deemed eligible or ineligible for inclusion in the *Waikoloa-PEX Brass Fittings* Settlement. Submissions to the Special Master shall be limited to no more than five (5) pages for each party involved in a qualification dispute for any given *Waikoloa-PEX Brass Fittings* Class Structure, but the Special Master shall have the sole

discretion to increase the page limitations for any given dispute. All decisions of the Special Master within his or her jurisdiction pursuant to this Settlement Agreement shall be final and binding on all the Settling Parties, and there is no right to appeal the Special Master's decisions on payments to the Waikoloa-PEX Court.

89. If any checks are uncashed or returned to the Administrator with no forwarding address information after ninety (90) days from their issuance, the Administrator will make one more attempt to locate the *Waikoloa-PEX Brass Fittings Class* Members to whom uncashed or returned checks were issued by processing their data again through standard skip traces, the National Change of Address database (where a specific owner is known), the Coding Accuracy Support System, and Delivery Point Validation system for the purpose of updating those *Waikoloa-PEX Brass Fittings Class* Members' addresses. If new addresses are discovered, the Administrator will mail written requests to all such addresses requiring that the *Waikoloa-PEX Brass Fittings Class* Members verify the correct address to which the Administrator shall re-mail the check. If *Waikoloa-PEX Brass Fittings Class* Members verify addresses to receive their checks within thirty (30) days of the date of the verification request, then the Administrator shall re-mail the checks one time to the *Waikoloa-PEX Brass Fittings Class* Members at those addresses. However, the Administrator shall not re-mail checks to *Waikoloa-PEX Brass Fittings Class* Members for whom the Administrator discovers no new address information, to *Waikoloa-PEX Brass Fittings Class* Members for whom the Administrator discovers new address information but receives no timely responses to the verification requests, or to *Waikoloa-PEX Brass Fittings Class* Members who verify address information but whose checks remain uncashed or are returned with no forwarding address information.
90. All checks issued by the Administrator shall become void if not cashed within one hundred eighty (180) days of the date of issuance. At the end of that period, all

uncashed sums shall be treated as residual funds to be administered pursuant to Paragraph 56.

**NO LIABILITY FOR CONDUCT OF ADMINISTRATOR OR SPECIAL
MASTER**

91. Castle & Cooke and Defense Counsel shall have no responsibility or liability of any kind whatsoever with respect to retaining the Administrator or Special Master. Plaintiffs, the *Waikoloa-PEX Brass Fittings* Class Representatives, the *Waikoloa-PEX Brass Fittings* Class, *Waikoloa-PEX Brass Fittings* Class Counsel, Castle & Cooke, and Defense Counsel shall have no responsibility or liability of any kind whatsoever related to any conduct or determinations of the Administrator and/or Special Master, or any of their agents, whether or not wrongful, negligent, reckless or intentional, based on any theory of law or equity, with respect to any matter, including, but not limited to, the performance or failure to perform their duties as set forth or undertaken in accordance with this Settlement.
92. Plaintiffs, the *Waikoloa-PEX Brass Fittings* Class Representatives, the *Waikoloa-PEX Brass Fittings* Class, *Waikoloa-PEX Brass Fittings* Class Counsel, Castle & Cooke, and Defense Counsel reserve all claims and rights against Administrator and/or Special Master for any failure(s) to fulfill their responsibilities and duties.

PRELIMINARY APPROVAL SUBMISSIONS

93. The Settling Parties agree that, if necessary to effectuate the Settlement, certification of the *Waikoloa-PEX Brass Fittings* Class for the purpose of *Waikoloa-PEX Brass Fittings* Settlement is appropriate under Hawaii Rule of Civil Procedure 23.
94. After execution of the *Waikoloa-PEX Brass Fittings* Settlement, *Waikoloa-PEX Brass Fittings* Class Counsel will submit the *Waikoloa-PEX Brass Fittings* Settlement together with its Exhibits and any legal memoranda in support of the *Waikoloa-PEX Brass Fittings* Settlement to the *Waikoloa-PEX Brass Fittings*

95. Any *Waikoloa-PEX Brass Fittings* Class Member who intends to object to the fairness, reasonableness, and adequacy of the Settlement (“Objections”) must mail a timely written Objection to the Administrator by first-class mail with postage paid. The Administrator will then serve any Objections received on *Waikoloa-PEX Brass Fittings* Class Counsel, Defense Counsel, and all other parties due notice in this case by U.S. Mail. The Administrator will then also file any such Objections with the Court by filing such documents directly or arranging for such documents to be filed by *Waikoloa-PEX Brass Fittings* Class Counsel or Defense Counsel. No Class Member shall be entitled to be heard at the Final Approval Hearing (whether individually or through separate counsel) or to object to the *Waikoloa-PEX Brass Fittings* Settlement, and no written Objections or briefs submitted by any *Waikoloa-PEX Brass Fittings* Class Member shall be received or considered by the *Waikoloa-PEX Brass Fittings* Court at the Final Approval Hearing, unless written Notice of the *Waikoloa-PEX Brass Fittings* Class Member's intention to appear at the Final Approval Hearing and copies of any written Objections or briefs were postmarked or served on the Administrator on or before thirty (30) days after the date of the mailing of the Notice, which deadline shall be set forth in the FAQ, Publication Notice, Settlement Notice, and Summary Notice.
97. Within ten (10) days after the Court-ordered deadline for timely and properly objecting to the *Waikoloa-PEX Brass Fittings* Settlement, the Administrator shall provide to Class Counsel and Defense Counsel any Objections it receives.

99. In the event of any appeals from the Final Approval Order and/or Final Judgment, *Waikoloa-PEX Brass Fittings* Class Counsel will be solely responsible for responding to objectors and defending the *Waikoloa-PEX Brass Fittings* Court's Final Approval Order and/or Final Judgment at their own costs. Castle & Cooke will join and/or not oppose *Waikoloa-PEX Brass Fittings* Class Counsel's defense of the Final Approval Order and/or Final Judgment.
100. The Settling Parties agree that they will not solicit, facilitate, or assist in any way, Objections by potential or actual *Waikoloa-PEX Brass Fittings* Class Members. The Settling Parties recognize that they have an obligation to support the *Waikoloa-PEX Brass Fittings* Settlement and to seek the *Waikoloa-PEX Brass Fittings* Court's approval of its terms.

104. This *Waikoloa-PEX Brass Fittings* Settlement shall be voidable at Castle & Cooke's sole discretion, and all obligations herein, including in the attached Exhibits, and can be cancelled and vacated if either (a) the number of exclusions from the *Waikoloa-PEX Brass Fittings* Class equals or exceeds 50 Class Structures; or (b) there is no final order approving the settlement of and entry of a final judgment in *Waikoloa-Wind*.
105. If this *Waikoloa-PEX Brass Fittings* Settlement is voided under the above Paragraph, the Settling Parties and *Waikoloa-PEX Brass Fittings* will be returned to the status quo ante, Castle & Cooke will have no obligation to fund the *Waikoloa-PEX Brass Fittings* Settlement Fund, and Castle & Cooke will have no obligation to pay for any Attorneys' Fees, Costs, and All Other Expenses incurred by any of the other Settling Parties in connection with the *Waikoloa-PEX Brass Fittings* Settlement.

110. Fourteen (14) days prior to the date set for the Final Approval Hearing (or if the Court orders a different filing deadline), *Waikoloa-PEX Brass Fittings* Class Counsel shall file their briefs in support of their requests for any awards of Attorney Fees, Costs, and All Other Expenses.
